GREATER MANASSAS  
SAINT PATRICKS DAY PARADE  
GRAND MARSHAL**

**Bonnie Baggan**

Bonnie Baggan started dancing at the age of four. She continued her training in Baltimore and New York City. Bonnie danced with the USO and performed each week on a television show called Candy Land. She performed at the Steel Pier in Atlantic City and was a featured dancer on the Buddy Dean Show. She continued to teach in Baltimore, Md until she married. Her husband was in the Army and stationed at Vint Hill VA.

Bonnie started teaching for the Prince William Department of Parks and Recreation in 1971 and taught in a different school each day. When Prince William County bought the Ben Lomond Community Center, she finally had a permanent home for her dancers and started Spotlight Dance Company. Her daughter, Lisa, joined Bonnie in teaching dance in 1986. After 49 years of teaching with the Prince William County Park Authority, Bonnie had planned on retiring and took a few months off. Bonnie soon released that she missed teaching and her dance family; and returned to Spotlight Dance at its current location in Manassas.

Bonnie says "I love each one of these dancers and I am always so happy to see them grow, not only as a dancer but to see where their lives lead them. Many dancers return to the studio after college for her adult dance classes and even become part of the Spotlight teaching staff.

Bonnie said she has been blessed to have such a rich and successful life teaching dance in Prince William County.

## **Inisfail Inc.**

In January 1999, the brothers of the Father Kelley Division, Ancient Order of Hibernians contemplated staging a St. Patrick's Day Parade for the City of Manassas. We were very proud of our Irish heritage and wanted to share it with the community. We worked for the next 15 months to put on our Inaugural Greater Manassas St. Patrick's Day Parade on March 18, 2000.

Due to the overwhelming support of the community and the success of the Inaugural Parade, we incorporated as a nonprofit organization for future parades. We have now held a parade for twenty-three years which is a highly anticipated event in our community.

We took the name Inisfail from the ancient, pre-Christian for Ireland that signifies Isle of destiny. Today, we celebrate the Gaelic culture that began long ago and has developed over the centuries.

We, in Inisfail, thank you for your support of our parade and hope that you have a great time here in Manassas today.

# Happy St. Patricks Day!

Inisfail, Inc. wishes to express its gratitude to the City of Manassas for the assistance it has provided in organizing and planning this parade. This is now an annual event that adds to the culture and character of Manassas. Without the support of the City, this would not happen.

## HISTORY OF ST. PATRICK

St. Patrick of Ireland is one of the world's most popular saints. He was born in Roman Britain and when he was 14 or so, he was captured by Irish pirates during a raiding party and taken to Ireland as a slave to herd and tend sheep. Patrick's captivity lasted until he was 20, when he escaped after having a dream in which he was told by God to leave Ireland by going to the coast. There he found some sailors who took him back to Britain and he was reunited with his family.

A few years after returning home, Patrick saw a vision he described in his memoir: "I saw a man coming, as it were from Ireland. His name was Victoricus, and he carried many letters, and he gave me one of them. I read the heading: 'The Voice of the Irish.' As I began the letter, I imagined in that moment that I heard the voice of those very people who were near the wood of Foclut, which is beside the western sea, and they cried out, as with one voice: 'We appeal to you, holy servant boy, to come and walk among us.'"

The vision prompted his studies for the priesthood. He was ordained by St. Germanus, the Bishop of Auxerre, whom he had studied under for years, and was later ordained a bishop and sent to take the Gospel to Ireland.

Patrick arrived in Slane, Ireland on March 25, 433. There are several legends about what happened next, with the most prominent claiming he met the chieftan of one of the druid tribes, who tried to kill him. However, Patrick was able to convert the chieftain and preach throughout Ireland. There, he converted many people, eventually thousands, and he began building churches across the country.

He often used shamrocks to explain the Holy Trinity and entire kingdoms were eventually converted to Christianity after hearing Patrick's message. Patrick preached in Ireland for 40 years. After years of living in poverty, traveling and enduring much suffering, he died March 17, 461. He died at Saul, where he had built the first Irish church. He is believed to be buried in Down Cathedral, Downpatrick. His grave was marked in 1990 with a granite stone.

## Growing Stronger Communities.

We're putting down deep roots and giving back to the communities we serve.

We think it's only natural to cultivate meaningful relationships in the communities where we live and work. And at Dominion Energy, that means we do more than write checks. So while we're very proud of contributing \$46.7 million in 2023 to community causes throughout our footprint and beyond, we're even prouder of Dominion Energy's

employees and retirees for volunteering more than 110,000 hours of their time. From refurbishing homeless shelters to replenishing local food banks to cleaning up parks to helping soldiers and their families, we're donating the most precious resource of all: our energy.
